VISITORS WELCOME

1956

TIME OF SHIPMENT: Iris shipments will start when rhizomes are matured, which will be about July 1st, and will continue in order in which received until early fall. We do not advocate dividing clumps at blooming time as a fresh cut may cause rot to set in during a wet season such as we sometimes have in May. Single rhizomes are immature at that time and probably will not bloom until the second year. Mature rhizomes usually bloom the first year. **WE WILL DIG AT BLOOMING TIME ONLY IF YOU BUY ENTIRE CLUMP.**

Daylilies will be shipped from Aug. 15th to Oct. 15th. If separate shipping dates are desired for iris and daylilies, each order must total a minimum of \$5.00; otherwise add 50¢ for postage.

TERMS: Full remittance with order—check or money order. No stamps, please. No C.O.D.'s, as it takes 30 minutes to fill out P. O. red tape, besides added fees. We pay all shipping charges to you on orders of \$5.00 or more. On account of carton and expense of handling smaller orders, **please add 50¢ on all orders of less than \$5.00.**

SUBSTITUTIONS: Under no circumstances will we substitute without your consent, but we do appreciate orders allowing us to substitute. To show our appreciation, on orders allowing us to substitute, we will allow an extra 10 per cent, even though we are able to ship all of your first choice. **SIMPLY DEDUCT 10 PER CENT FROM YOUR ORDER IF YOU ALLOW US TO SUBSTITUTE.** Give us your first, second and third choice.

FREE: We usually give you about 10% of your purchase in extra iris or day lilies.

GUARANTEE: Our fields are **STATE INSPECTED**. Every rhizome shipped will be healthy, labeled true to name, and in good growing condition when shipped. No warranty can be given for cultural success. However, if for any reason or no reason, you are dissatisfied when stock arrives, you may return it at our expense and your money will be promptly refunded—plus return postage.

TERRY'S PLANT MARKERS

Made of galvanized steel and painted a neutral green color. The head is spot welded onto the stake at an angle of 35 degrees, an ideal position for easy reading of data.

We furnish 40 aluminum cards with each box of 36 markers. You simply write your data on the foil card by placing it on a blotter and indenting with a lead pencil. For better visibility it can be traced with a waterproof or metallic ink.

After you have marked the card, slip it through the slot at each end of the marker head and fold back to lock in position.

- #1 - 8" (writing space $1\frac{1}{8} \times 1\frac{1}{2}$ ")\$5.25 box, \$20 gr.
- #2 - 15" (writing space 1×3 ")\$6.50 box, \$25 gr.
- #2 - 21" (writing space 1×3 ")\$8.00 box, \$31 gr.
- #3 - 21" (writing space $1\frac{1}{2} \times 3\frac{1}{2}$ ")\$9.50 box, \$37 gr.

Shipped Only as Packed - No Broken Boxes)

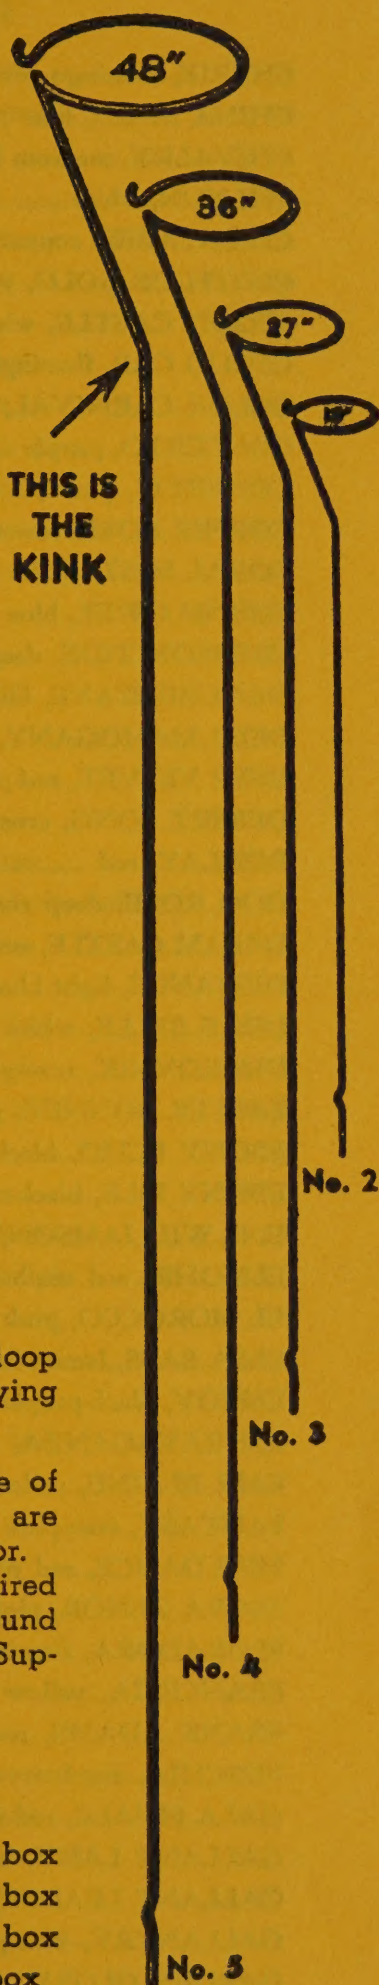

- 1 $\frac{1}{2}$ -oz. Bottle Metallic Ink.....\$.50

We Pay the Shipping Charges

Shipped Only as Packed - No Broken Boxes

TERRY'S PLANT SUPPORTS

The "Kink" prevents the loop from rotating with the swaying of the plant.

These Supports are made of Sturdy Galvanized Wire and are painted a neutral green color. Just stick in ground to desired height, then hook loop around plant stem and "Terry Plant Supports" are ready for use.
